## Attendance Zones

Except in very specific circumstances, students are required to attend the school in the respective attendance zone, established by the Board of Trustees, in which they live. A listing of the elementary, middle and high school to which each subdivision, apartment complex and mobile home park is assigned is on the back page of this brochure. Additional information about specific attendance zones may be obtained by calling the Communications & Community Relations Office at 281-586-1140 or any school. This publication reflects the attendance zones that will be effective for the 2004-2005 school year and will remain effective until changed by Board action. Attendance zones, including the zones for the new schools that will open later, can be found online at [www.springisd.org](http://www.springisd.org). Names of apartments may change by change in ownership. The Spring ISD boundary is indicated by the dotted line. Rev. 7/15/04
